A Pensacola-based travel-bag company just made it a little easier for parents to prepare for a trip that may turn into an extended stay.

ADVERTISEMENT

The local developer of practical carry-on solutions for the modern traveler, 3-1-1 Travel Bag, donated 1,000 Clear Bag System toiletry cases for families traveling to and from St. Jude Children's Research Hospital in Memphis, Tenn. St. Jude is an international hospital that specializes in finding cures and saving children with cancer and other diseases.

Linda Padgett-Stinson, owner of the company, lived in Germantown, Tenn., near Memphis, for eight years. Padgett-Stinson lost a grandmother to cancer and watched her father battle and beat the disease. She said the organization and its mission holds a special place in her heart.
