Santa Baby: Gifts for New Moms and Newborns

By Bonnie Kimberley Taylor

**Booty Goo** is for babies and parents who need reliable, fast-acting diaper rash-fighting goo brand. This is it! And it's made in the U.S.; visit [18] [www.skinksake.com/bootygoo.php](http://www.skinksake.com/bootygoo.php). **Da Bib** is a big, generous bib that goes around baby's neck and protects everything from the upper neck down. It's a godsend when your child is wearing his or her most expensive outfit and eating strawberries or soup. No shrinking! Find it at [19] [www.dabib.com](http://www.dabib.com). Pack this gear into the see-through **311 Travel Bag** when roaming far or near. These see-through bags are ideal for airplane travel, but convenient even at home as well, and the containers can be used for baby shampoo, moisturizer, and even juice. It will easily fit in a diaper bag – and solve an array of portability problems for new moms. Visit [20] [www.clearbagsystem.com](http://www.clearbagsystem.com).
