

Calgary Sun - Travel

December 6, 2007

The air-travel compliant Clear Bag System offers a stylish, practical alternative to flimsy Ziploc bags, allowing travellers to carry their liquids/gels on airplanes worry free. The bag fits into carry-on luggage and its reusable airless pumps keep toiletries safe and secure during flight. Comes with festive silver gift-wrap and personalized greeting card: \$24.90-\$39.95 at www.clearbagsystem.com

These easy-care, poly/cotton blend, long-sleeved shirts have H2 Out moisture management to keep you cool with anti-bacterial, anti-microbial and anti-fungal technologies. They feature a slightly fitted bodice, rolled-up sleeve tabs and front button-placket, and come in mustard yellow, moss green, white and raspberry pink: \$89 at Pipestone Travel Store.
