Today: Items for air travel

3-1-1 Travel Bag's Clear Bag System

\$24.99 to \$34.99 at www.clearbagssystem.com

For many Americans, the most visible evidence of the war on terror is the plastic bag they're required to carry through airport security with their liquid toiletries. But you can show with style that the terrorists haven't won.

The Clear Bag System comes in four configurations, all of which meet airport security rules. Just transfer lotion, mouthwash and shampoo into the system's clear break-proof, reusable containers. All the containers fit into a durable, fashionable and, most important, regulation-compliant bag. Take that, Osama.
