## Travel-Size Beauty

Traveling by plane this holiday season? Make sure you don't end up having to throw out your fav lotion or can't-live-without-it conditioner at the airport because it's not [airline security-friendly](#). Check out these great ways to ensure all of your beauty product containers are clear for take-off.

The [Clear Bag System](#) comes with a zip-top bag and refillable pumps that meet all carry-on regulations, so you never have to part from your miracle creams.

Or pamper yourself with the [LaLicous travel sets](#), which come with a scrub, body butter, body wash and body oil in delectable scents such as brown sugar/vanilla, peppermint and island guava. Mmmm.
